

<p>Literacy</p>	<p>Write or draw a diary entry about your day off school.</p> <p>What did you do? What time did you do it at?</p>	<p>Practice making your letters out of different materials.</p> <p>Practice writing your letters in different styles of writing. (rainbow, bubble, etc)</p>	<p>How many words can you make from the letters in SNOWMAN?</p> <p>Write the letters on pieces of paper and move them around.</p>	
<p>Numeracy</p>	<p>Log on to Discovery using the details below and practice your addition and subtraction skills.</p>	<p>Make your own number line either inside or outside.</p> <p>How high can you count? Practice counting on and back.</p>	<p>Go outside and measure how far you can throw snowballs or a ball.</p> <p>What can you use to measure the distance? (footsteps, ruler, string)</p>	
<p>Other</p>	<p>Find or create a recipe for a healthy snack.</p> <p>Ask an adult to help you make it.</p>	<p>Go outside and go on a scavenger hunt using your senses.</p> <p>Write, draw or photograph what you can see, hear, smell, touch and taste.</p>	<p>Make paper snowflakes using different types of paper (newspaper, tinfoil, etc)</p> <p>What works the best?</p>	

If you have the internet, Discovery has many activities which will help consolidate your child's learning.

Please use the following log in details: www.discoveryeducation.co.uk: log in as student14511 (no space), password: perfect.

Please also remember that the children can always practise their reading and spelling words as well.
