Select a minimum of two videos, watch and take notes. Select an activity from 'Things to Do'. Suggested activities are listed below:

Low fat food  
Good foods for teeth

If no printer is available, copy onto piece of paper and bring to school on next available day. Be prepared to share your learning with others.

## 2. Maths: Times Tables Challenge

<http://www.multiplication.com/>

Challenge yourself to choose games that feature the times table that you are currently working on.

Your aim is to improve your speed each time!
